

## **11<sup>th</sup> Annual PSA Shootout**

Thank You to everyone involved with the Shootout this year!! It shows how much this shoot means to everyone, even with the obituary in last years results – all the shooters, sponsors and ROs were back for another year!

Thanks to the sponsors who returned to keep the shoot going. Also thanks to those who setup shop to let us get some shopping in!

I'd like to thank Kay and Brad for a decade of running the shootout. It was great to see them out mingling, shooting, and even some time on the clock! These events are often about the buddies/numb-nuts you don't see every day. Wouldn't be a shootout with Brad & Kay.

There is NO Substitute for Experience: That's what makes the shoot great – quality ROs! They keep the shoot moving, safe and accurate!! This shoot is RO-ed by shooters from all over the country. They did a great job and we appreciate their sacrifices to help run the shoot.

Returning under the misguidance of Rosey was the Shootout Hardcore Installation Team. (Chris Martin, Doug Carden, Dave Parker and Leroy Helms on steel) They put in a full week of hard work to get the venue ready – then made it go away before Monday afternoon – nice work gang!

It was our generally our goal this year to not screw up! I hope you all had a great time. Expect to see the Lutz family back in the stat house next year. Hope to see you all again !!

**Congratulations to all winners!**
